

Privacy policy

Introduction

The terms listed herein constitutes Wusic's Privacy policy for their online services. This Privacy policy includes an explanatory document outlining how personal details are collected, processed and used for Wusic's services. Please consider that this policy only applies to WUSIC's www.wusic.com websites and other affiliated services, and it does not apply to other third party sites linked on our pages.

By using our services, you agree to accept the terms listed below.

Privacy policy modification: this Privacy policy may change according to the evolution of our services. Please consult this document periodically to be aware of any potential changes.

Notification about children: children under the age of 13 may never disclose personal information without prior parental permission. Wusic is committed to not knowingly collecting data provided by children aged 13 years or younger. If Wusic receives knowledge that it had collected personal information from children under the age of 13, then this information will be immediately deleted from our database.

Information collection

Requested information

In order to use our services, you may be asked during registration to provide some personal information including, but not limited to, your first and last name, birth date, country, email address or other contact information. If you do not wish to provide this information, you may not use the services that require it. Nevertheless, you can still visit and use the Website and the services which do not require any personal information.

Use of information

Wusic may use information you provide to deliver to you the services you've purchased: which include, but are not limited to, fulfilling your requests for products and services, delivering the content you've purchased, helping our support to follow-up your issues and providing you with information concerning promotions and sweepstakes if you have chosen to receive it during the registration process.

Disclosure of your information

The information you provide will only be used by Wusic or its agents. However, your information may be disclosed where we are obliged or permitted by law. If you post or send offensive, inappropriate or objectionable content on Wusic's Website or otherwise engage in any disruptive behavior on the Website, Wusic may use collected information to stop such behavior.

Information sharing and third party

Wusic commits itself to protecting the personal information you provide, and

will not release it to any third party. Also, Wusic will not sell, rent, swap or authorize any third party to use your email address or any other information that personally identifies you.

Update or delete your personal data

You can request a copy of your data, update, and delete of your personal information by sending us a request via our contact page.

Customer service correspondence

If you send us correspondence, including emails and faxes, we may retain such information in the records of your account. We may also retain customer service correspondence in order to measure and improve our customer service and to investigate potential fraud and violations of our Terms of Service.

Cookies

Cookies are small amounts of data sent to your computer. They may be used to store or recall some information such as your password or username so that you do not need to re-enter that data each time you use our Website. Please note that your browser could be configured to accept or reject cookies, or notify you when a cookie is set. However, you must enable cookies from Wusic to use some of the services on our Website.

Account and personal information modification

You always have the right to access your personal information, the right to rectify or to complete it if it is inaccurate or incomplete, the right to oppose without expenses to its use in order to address your commercial requests and, more generally, the right to oppose to any treatment form.

The request must be done by by emailing us at sales@wusic.com .

Security

Wusic cares about the security of your personal information. In order to ensure data privacy, security, and protect against the loss, misuse or alteration of the information under our control, our database resides behind firewalls. Also, we take measures to restrict access to sensitive data, so as to detect and prohibit certain connections and operations by unauthorized users.

Contact us

Please feel free to contact us with any question or comment about our services and policies, by sending an email to sales@wusic.com
